I will be deleting the facebook Orewa Tennis Club page and have created a closed group for the Orewa Tennis Club go to [Orewa Tennis Club](#) on facebook and join. There will be some giveaways in the group soon so look out for those. The reason I have made a closed group is so that it is more secure for loaded photographs and only members can post comments and information. With the old page what is happening is people like the page then block the admin and sometimes post not very nice things.

Have discovered a fun free (but be careful as there are in app purchases - but not needed to have heaps of fun) tennis app for the kids "Tennis Hot Shots Galaxy" - Great way to keep the kids interest up in tennis during the winter

Any Saturday morning coaching girls, aged over 10, that are interested in playing interclub in the upcoming season (term 4) are welcome to join Michelle for free coaching on Wed afternoons at 4:30pm
